INTRODUCTION

At Peckham Levels, the heart of our ethos is creating a diverse and inclusive space that acts as a vibrant, cultural, and artistic destination for the local community. Our events programming helps us to achieve this. We endeavour to ensure this space is well used and feels like home for everyone!

We are committed to ensuring at least 25% of our event space and meeting room space is used free of charge by those who need it most – including local groups and initiatives seeking to create tangible social impact through their work.

In the past, we have used our spaces to host memorable events from exhibitions, panel discussions, conferences, workshops, creative meet-ups and everything in-between.
